

1. This motion is based on this Motion, the Memorandum of Law in support thereof, with attached exhibits, the pleadings on file in this action, oral argument, and such other matters as the Court may consider in hearing this motion.

2. Mr. Barros makes this Motion in the belief that he is the most "adequate plaintiff" as defined in the PSLRA because Mr. Barros believes that he has the largest financial interest in the relief sought by the Class due to the substantial losses he incurred as a result of his purchases of shares of Rubicon Technology, Inc. pursuant to the March 2014 Offering. Furthermore, Mr. Barros satisfies the typicality and adequacy requirements of Fed. R. Civ. P. 23.

3. Mr. Barros further requests that the Court approve the selection of his counsel KSF as Lead Counsel for the class and HH as Local Counsel for the Class. KSF is a nationally-recognized law firm with significant securities and class action litigation experience, and has the resources to effectively prosecute this action.

4. For all of the foregoing reasons, Mr. Barros respectfully requests that this Court: (1) appoint Mr. Barros to serve as Lead Plaintiff in this action; (2) approve Mr. Barros' selection of Lead Counsel and Local Counsel for the class; and (3) grant such other and further relief as the Court may deem just and proper.
